Clara,

Hey there!! This year in Mrs. Petters's class surely has been

interesting. I'm so glad I met someone as sweet as you. Remember all our times going to McDonald's (Big Deal). It sure has been fun. I wish you the best in life.

I hope we'll even get closer next year if you talk louder. Sk. Keep up the good work and your great character. You'll go far in life!!

P.S. You looked really pretty in your prom dress.

Clara

I've known you for so long! God it seems like forever (which it practically is)! Overall this time we've become pretty close. How can we be anything else with all those memories we have. The great thing about it is, every memory I have of you is good. I'm positive that all the memories we acquire in the future will be just as good, if not better. I'm looking forward to spending more time around you (you can be pretty funny when you want to be)! Let's get together during the summer okay! Heck you live just a couple of blocks away & there's no logical reason why we shouldn't stay in touch. Please take care of yourself + God Bless you.

YESTERDAY

Yesterday I walked and talked
and shared for just a while.
A friend or two we reminisced
and often let a smile.

Yesterday I gave my best
it was all I had to give.
I said I've got to make it
I've got a life to live

Yesterday I sang a song
to carry me through the day.
A friend joined on the chorus
together we found the way

Yesterday I went to school
I thought it would never end.
I could not see the light of day
just around the bend

Yesterday formed memories
times of joy and of sorrow
yesterday brought me today
the strength I'll need tomorrow.

The annual is your yesterday that you will cherish tomorrow

TOGETHER WE SAY GOOD-BYE

Together we are family,
As many links within a chain.
Dependent upon one another
Together we've shared the pain.

Together we've taught one another,
We all have something to give
Our hopes, our thoughts, our dreams
Will in these halls forever live.

Together we are a partnership,
We are walking hand in hand.
Giving, and giving, and giving,
Together, we shall stand

Together, we have been molded
As a potter has worked his clay.
Formed and chiseled, and polished
Now ready for graduation day.

Together we are a fortress
Always standing strong
Our hearts, our minds, our thoughts
To North Side will belong

Together we face the future,
Knowing we're not alone.
The times we've spent Together,
Have formed a lasting home.

FAVORITES

Mr. and Miss North Side
Daffrin Walker — Rudy Paredes

DAFFRIN WALKER

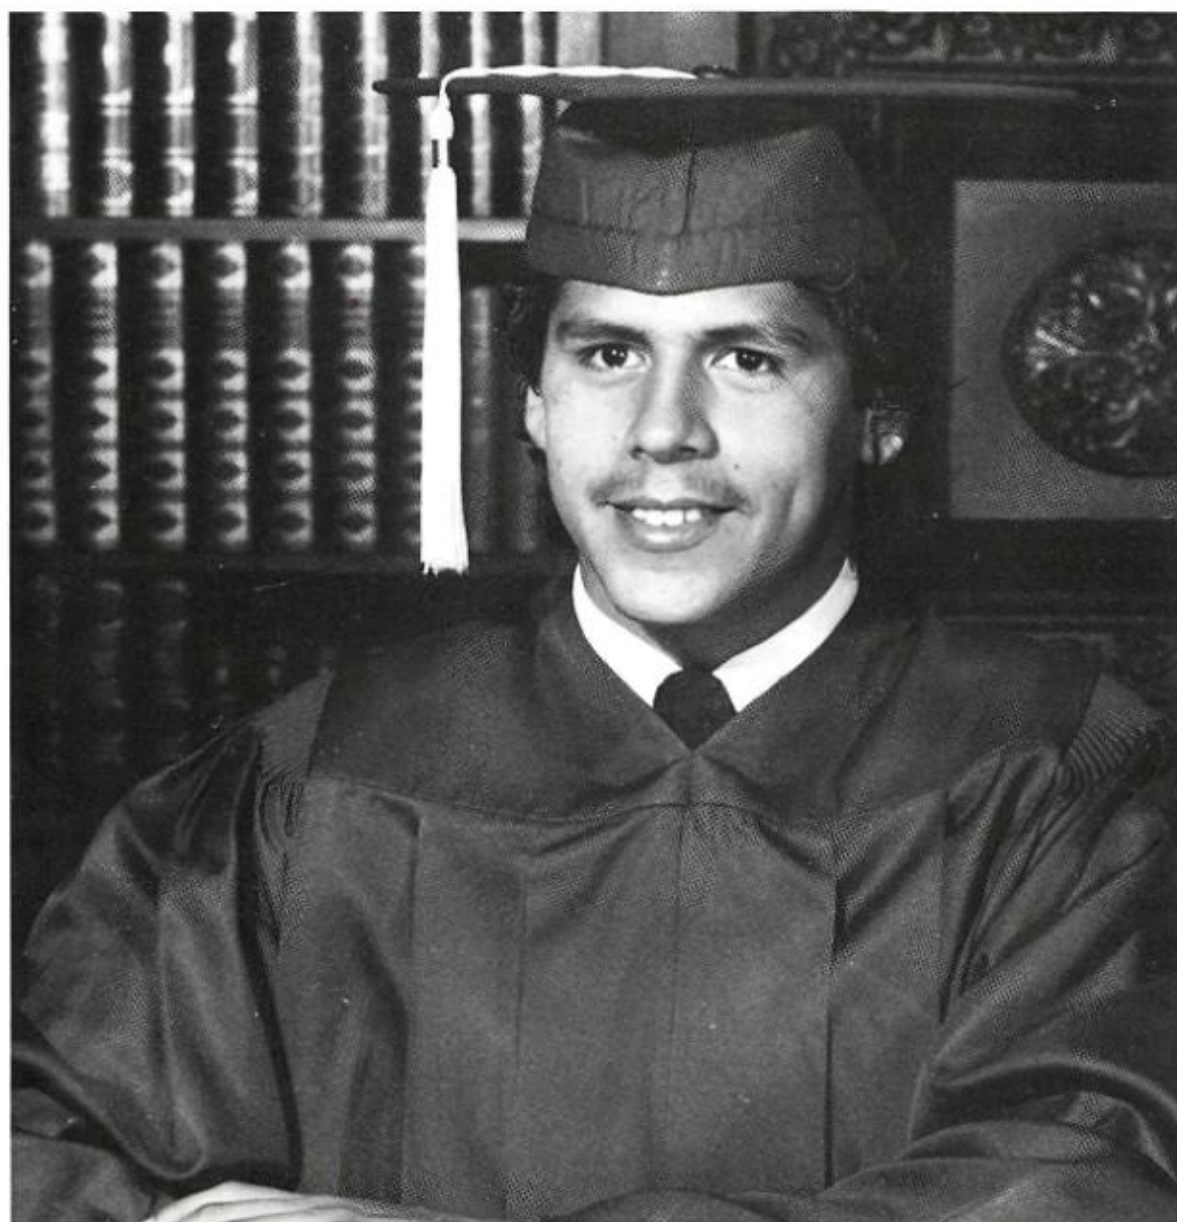

Daffrin Walker, who was the North Side student body's choice for Ms. North Side, is both vibrant and exuberant. She has won the respect of her classmates and teachers.

Daffrin has a variety of interests and skills which encompass almost all aspects of school life. She has been trained in all phases of cosmetology, can complete invoices, and prepare financial statements, type, and operate office machines.

She is very active in many extracurricular activities which include the Honors Club, member of the Cheerleader squad, V.I.C.A., and the basketball team. Somewhere she has also found time to play in the school band.

Daffrin has naturally achieved academic excellence as well as distinguishing herself in other endeavors. She won the prestigious Ann Brannon award, V.I.C.A. trophies for outstanding work, B honor roll for three years, Honor's Club awards, and voted Homecoming Queen and Most Friendly in 1986.

Upon graduating, Daffrin will study cosmetology as her major in college.

RUDY PAREDES

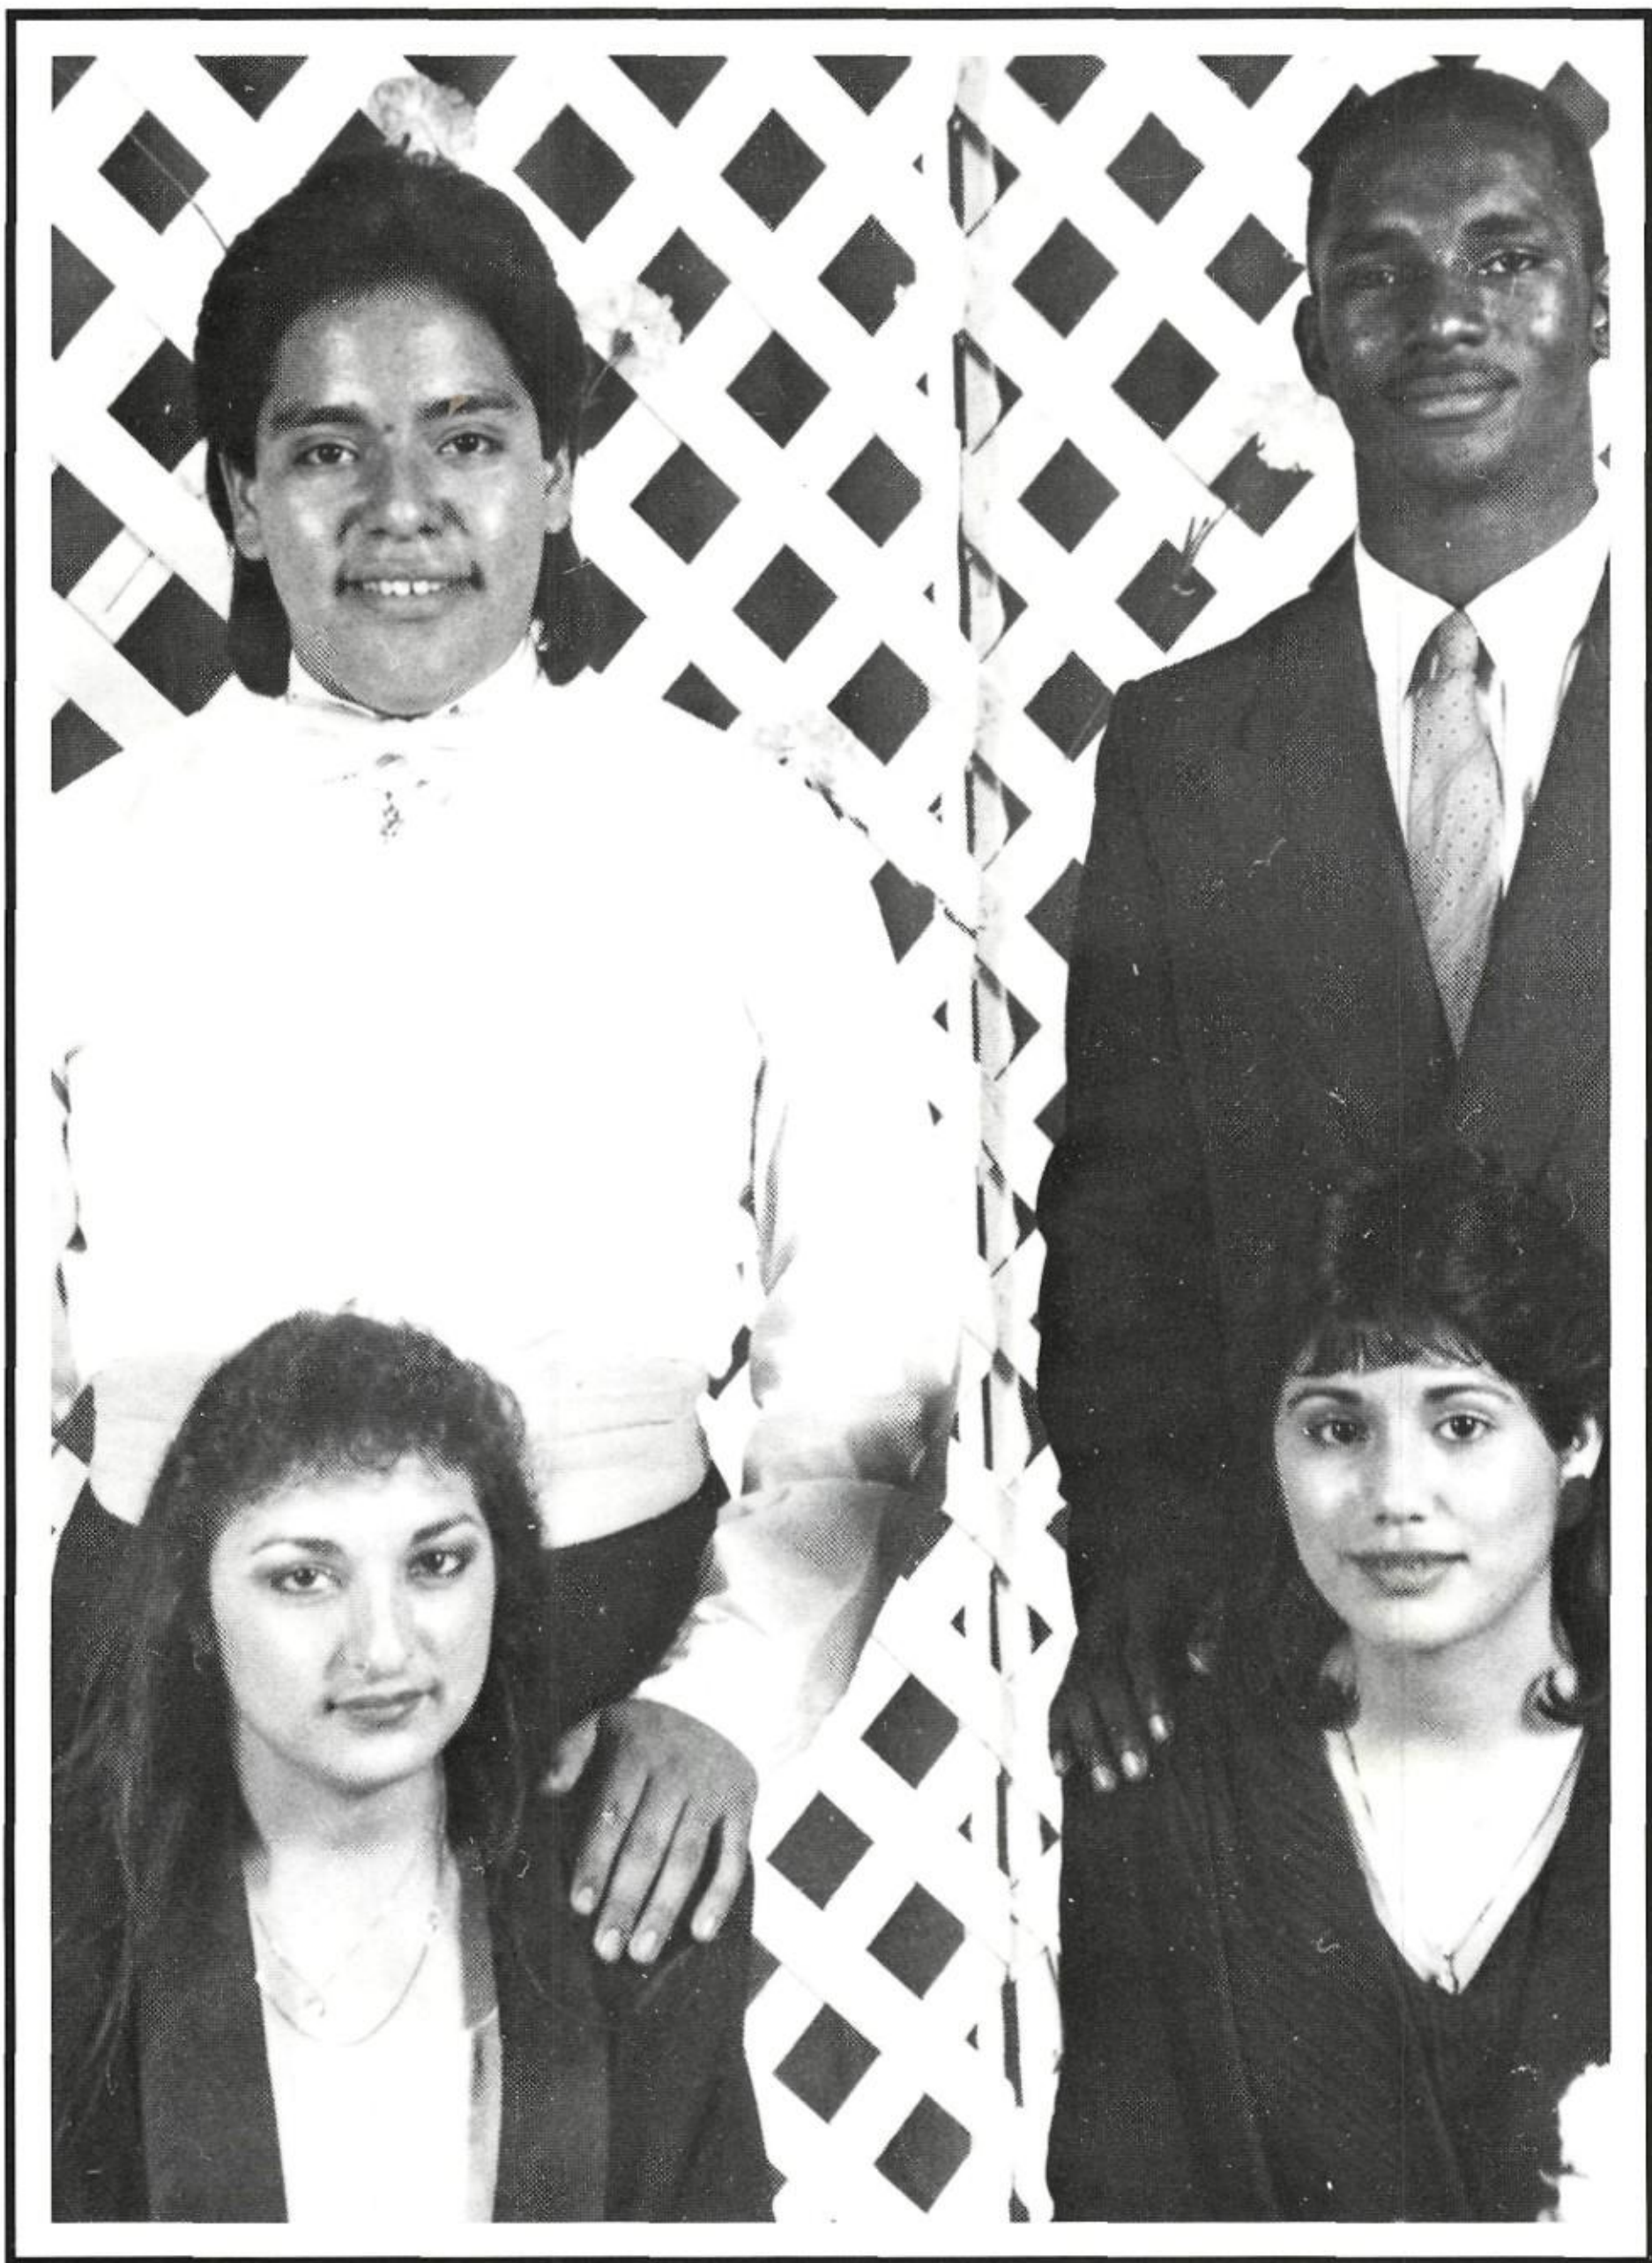

Rudy Paredes, the student body's choice for Mr. North Side epitomizes the type of student who is recognized for his achievements both academic and extracurricular because of the high standards which he has set for himself. His academic success is matched by his achievements in a variety of other areas.

He was a member of the Future Business Leaders of America for three years and participated in both district and state leadership conferences each year. He went to Washington D.C. with the Close Up Program in 1985, and has been on the student council for two years.

Rudy was also very active in sports. He was elected Captain of the football team all four years, he ran track from his freshman through his senior years. He played baseball for one year, and was President of the Rodeo Club. As an athlete Rudy has had a varied career.

His academic achievements include maintaining a three point grade average, winning the Academic Honor's certificate for 1985-1986, as an athlete. He was All District Linebacker in 1984-85, and voted North Sides's most valuable defensive player in 1985.

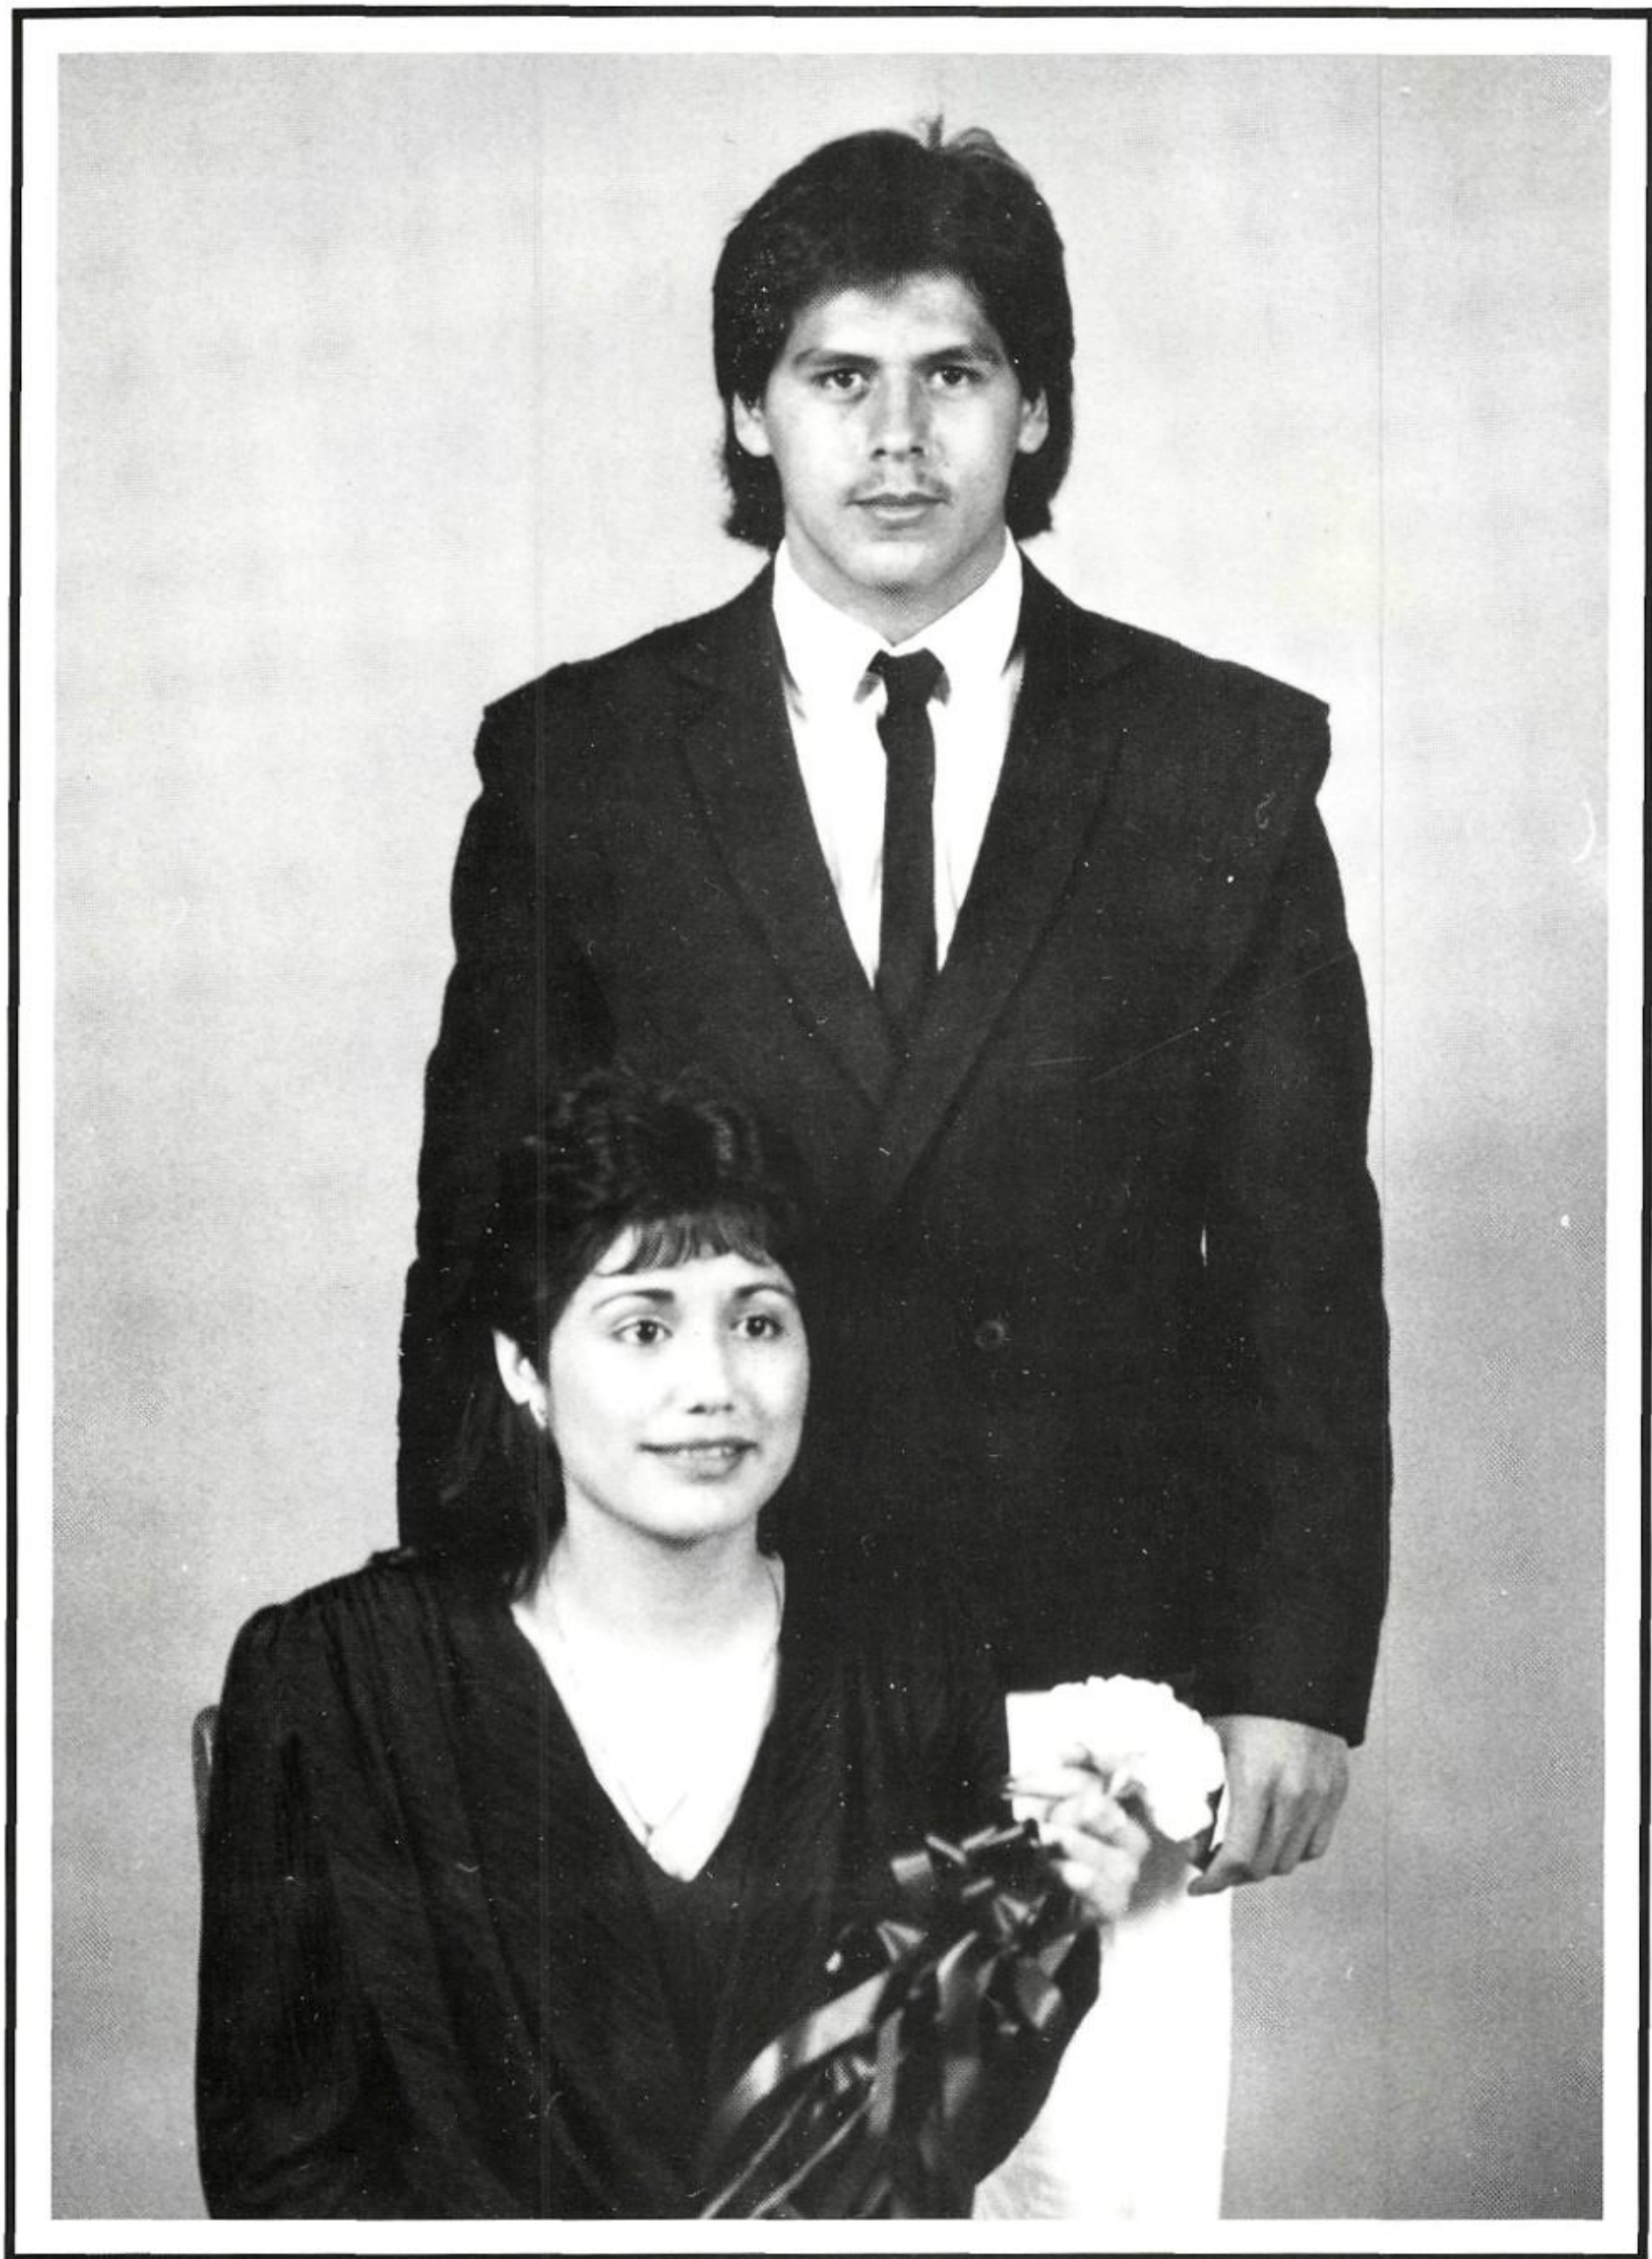

Rudy plans to major in business administration after graduation.

Clara,

Well this year started off pretty good until you started going to TCOM. I don't see you any more but I really did enjoy the beginning of school talking to you. I hope we remain very close friends. But of course we are going to start very hard next year, which is our "Sr" year of '87. Anyway about this doctor's stuff. You are going to be one and I will be your nurse. So we will see a lot more of each other. Hopefully when we are doing heart surgery or something I won't tell a joke and we start laughing then the poor dude will die. N/R. May all your wishes and dreams come true. I hope you get everything you want out of life and more. Keep on smiling and if you ever need anyone to talk to just call me and I'll be there. God Bless you and Abel and keep you safe through out the years.

With Love Always
And Forever
